

**REMARKS/ARGUMENTS**

Applicant responds herein to the Office Action dated December 22, 2005.

Responsive to the indication that claims 4 and 5 are allowed and that claim 10 is directed to patentable subject matter, claim 10 is now rendered in independent form herein and should also be allowed. The remaining claims in the application are all dependent directly or indirectly from the aforementioned allowed claims 4 and 10 and these claims too, therefore, should be promptly allowed.

Accordingly, the Examiner is respectfully requested to reconsider the application, allow the claims as amended and pass this case to issue.

I hereby certify that this correspondence is being deposited with the United States Postal Service with sufficient postage as First Class Mail in an envelope addressed to: Mail Stop AF, Commissioner for Patents, P.O. Box 1450, Alexandria, VA 22313-1450, on March 20, 2006
